## Abstract

According to the guidelines the abstract should not exceed 300 words. However, it is unlikely that anyone will be counting when you submit. If you still wish to do so, then better use Emacs `count-words` command.

## Acknowledgements

It is good to thank here your supervisors and any sponsoring bodies, as well as any family, friends, cats, dogs etc. that have been supportive during your time at University.

If you decide to dedicate your thesis to someone, it will be on a separate page.
